

# FOSTER CARER REVIEW

## YOUNG PEOPLES FEEDBACK

At least once every year foster carers have to (by law) have a review meeting. It is really important that we understand how you feel about the care that you receive. Your Social Worker and IRO should regularly talk to you about where you live, so we will be asking them for your views.

We would also really like to hear directly from you.  
If you would like to please complete the foster carer review form .
